Children's Worship & Small Groups

Every morning and evening we will begin with children's worship with a live worship band and special guest speaker! Parents are always welcome to join in on the celebration!

Family Outing

Friday afternoon and evening everyone will have an opportunity to spend free time with family and friends at Mission Bay - Belmont Park. Swim in the ocean, walk the boardwalk, rent a bike, try surfing or enjoy the amusement park.

Children's Ministry Initiative

is a response to the growing needs communicated by various areas and levels of ministries within the Korean United Methodist Churches in America. As the ministries within the KUMCs and the English Ministries grew, the UM Council on Korean American Ministries recognized the need to strengthen and promote the area of children's ministry in the local churches.

We are excited to add Nexus Kids Camp to our programs. As God continues to raise up new generation of disciples, it is our privilege to serve and equip them.

Tracks for kids

Whether it is signing up for the arts and crafts or the tennis or the mad science lab, there is something for every child.

G-Force VBS

Throughout the Camp, we will be learning about God's Love in Action as we each explore God's Call in All our Lives! So get ready to worship, serve, and play for Christ!

Evening & Special Activities

Each night as we wait for our parents to pick us up, we end with our special themed movie nights:
Wednesday Ice-Cream Social
Thursday Pajama Night
Friday Glow in the Dark Night
